WCMEA Conference Sponsorship June 10-12, 2019

The goal of the WCMEA Education Committee is to provide quality education for WCMEA members in the area of death investigation. Your participation as a sponsor is greatly appreciated by the membership. Your generous sponsorship of these opportunities will allow the association to direct more funds toward the mission of education.

Sponsorship will provide:

- Your organization/company logo displayed during the event you sponsor. (Sign provided by you; easel size)
- Your organization/company name or logo projected on the screen in the educational area during the break or meal you sponsor
- The opportunity to place a one-page flier or brochure about your organization/company in the handout folder that is issued to all attendees.

I'll work with all of the sponsors to make sure that your contribution is recognized. Don't hesitate to contact me so that you can sponsor the event that you desire before it's reserved by someone else. You may wish to co-sponsor an event(s).

NOTE: All prices are estimates but they represent the total contribution requested by the WCMEA for each event. We expect the actual amount will be more but the WCMEA will make up the difference. The estimated costs are based on 50 participants which is a conservative number.
