

IAC&ME

INTERNATIONAL ASSOCIATION OF CORONERS & MEDICAL EXAMINERS

Present the

2019 Annual Training Symposium

Hosted by

The Clark County Office of the Coroner/Medical Examiner (CCOCME)

JULY 21-25, 2019 • LAS VEGAS, NV
Golden Nugget Hotel

ATTENDEE REGISTRATION

THE ASSOCIATION

The International Association of Coroners & Medical Examiners (IAC&ME) has over 80 years of experience in the presentation of educational seminars for the purpose of assisting Coroners and Medical Examiners and other forensic specialists in the performance of their duties. This commitment is enshrined in the Association's mission statement, "The International Association of Coroners & Medical Examiners is committed to advancing the accurate determination of the cause and the manner of death through the utilization of science, medicine and the law." This training symposium will bring together leaders in medicolegal death investigations to one location for training and education. This Annual Training Symposium will be a valuable opportunity to network with Coroners, Medical Examiners, Deputy Medical Examiners and their staff. This is an excellent opportunity to interface with other professionals like yourself.

REGISTRATION FEES

Contact us for group discounts. Any cancellations after June 1, 2019 will receive a 50% refund. *** All non-member attendees will receive a free one year membership.**

ADVANCED MEDICOLEGAL SYMPOSIUM

Presented by the IAC&ME and hosted by
The Clark County Office of the Coroner/Medical Examiner (CCOCME)

Monday – Thursday July 22 – 25, 2019 8:00 am – 5:00 pm	ABMDI and POST Credits Available ABMDI Test Available Friday, July 26, 2019 <i>AMA PRA Category 1 Credit(s)™ Approved</i>	\$450.00 USD Members \$550.00 USD Non-members
---	---	--

Course Description

The Advanced Medicolegal Symposium is designed to provide Medicolegal professionals and those in positions relating to Medicolegal death investigation an in depth view and study of more advanced concepts.

Topics presented will provide attendees with a variety of comprehensive details areas of learning. These presentations will focus on foundational advanced death investigative theories and introduce new emerging trends.

The Advanced and Basic MDI Course will be approved for Nevada Post, ABMDI, and *AMA PRA Category 1 Credit(s)™*.

Who Should Attend

- Medicolegal Death Investigators
- Coroners
- Medical Examiners
- All levels of health care professionals
- Law Enforcement Personnel
- Forensic Technicians
- Forensic Nurses
- Investigators
- Detectives
- Prospectors
- Emergency Medical Personnel

Curriculum

- New Trends in Substance Abuse
- Internet Profiling
- Mass Fatality Incidents Media Relation
- High Profile Cases
- Organ/Tissue Donation Missing Persons Services
- NCMEC Services
- Psychological Autopsies
- Electronic Control Devices

Those who register for this course will be invited to the opening ceremony and all social events. Please review the IAC&ME website for agendas and more information. www.theiacme.com

ADVANCED COURSE AGENDA

SUNDAY, JULY 21

9:00am - 12:00pm	Executive Committee Meeting
1:00 - 5:00pm	Board of Directors Meeting
5:00 - 7:00pm	Advanced Course Registration
5:00 - 8:00pm	Exhibit Hall Open and Welcome Reception <i>All Attendees Invited</i>

ADVANCED MEDICOLEGAL AND BASIC MDI SYMPOSIUM AVAILABLE CREDITS

Presented by the IAC&ME and hosted by
The Clark County Office of the Coroner/Medical Examiner (CCOCME)

ACCREDITATION STATEMENT

University Medical Center of Southern Nevada is accredited by the Institute of Medical Quality/California Medical Association – (IMQ/CMA) to provide Continuing Medical Education for physicians. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Institute of Medical Quality/California Medical Association (IMQ/CMA) through the joint providership of University Medical Center of Southern Nevada and the International Association of Coroners & Medical Examiners. University Medical Center of Southern Nevada designates this live educational activity for a maximum of 30.50 AMA in the Basic MDI Course and 22.25 AMA in the Advanced MDI Course AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE

It is the policy of University Medical Center of Southern Nevada to ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational programs. Andrew M. Baker, MD, Felicia Borla, Jon Boyd, CTBS, Anthony Buras, BS, Barbara Butcher, RPA, MPH, James L. Caruso, MD, Grace Chung, DDS, Angi M. Christensen, PhD, D-ABFA, Brian P. Ehret, F-ABMDI, Brian Elias, F-ABMDI, Colleen Fitzpatrick, PhD, John Fudenberg, Lisa Gavin, MD, MPH, Pamela L. Gay RN BS D-ABMDI CFN CMI-II, James Gill, MD, Jennifer Harmon, Amy Hawes, MD, Julie Howe, MBA, D-ABMDI, Jen Jacobs, Bryan Johnson, DeAnna Lowe, Bruce Lyle, Jonathan Lucas, MD, Brittney W. Martin F-ABMDI, P. Michael Murphy, F-ABMDI, DBA, Bobbi Jo O'Neal, Paul Parker, D-ABMDI, Jacque Perkins RN, CCM, SANE-A, SANE-P, D-ABMDI, Leonardo Roquero, MD, Jennifer R. Snippen BSN MA F-ABMDI, Michèle Stuart, Dana Troxclair, MD, Nessa Vercillo, CTBS, Gary Watts, Lauren M. Weidner, PhD, M-ABFE, Heather Williams, PsyD have stated they have nothing to disclose. The IAC&ME Planning Committee: John Fudenberg, Nicole Charlton and Jennifer Thornton have stated they have nothing to disclose.

OTHER CREDITS

This program has been approved by the American Association of Tissue Banks to offer Certified Tissue Banking Specialist (CTBS) and Certified Reproductive Cryotechnology Specialist (CRCS) continuing education units (CEUs.) Attendees may earn up to; 36 CTBS & CRCS CEUs in the Basic MDI Course and 20.9 CTBS & CRCS CEUs in the Advanced MDI Course.

BASIC MEDICOLEGAL DEATH INVESTIGATION (MDI) COURSE

Presented by the IAC&ME and hosted by
The Clark County Office of the Coroner/Medical Examiner (CCOCME)

Sunday – Thursday July 21 – 25, 2019 8:00 am – 5:00 pm	ABMDI and POST Credits Available ABMDI Test Available Friday, July 26, 2019 <i>AMA PRA Category 1 Credit(s)[™] Approved</i>	\$450.00 USD Members \$550.00 USD Non-members
---	--	--

Course Description

This Basic MDI course is designed for medicolegal death investigators, and is intended to familiarize them with the operation of a medicolegal death investigation system, and the role of a medicolegal death investigator.

Topics presented will provide a medicolegal investigator a solid foundation. The training provided will give the attendee the basic information and expertise required to conduct death scene investigations as a medicolegal death investigator.

Topics will cover the basic and provides advanced training for those already working in the field.

The Advanced MDI and Basic MDI Courses will be approved for Nevada Post, ABMDI, and *AMA PRA Category 1 Credit(s)[™]*.

Who Should Attend

- Medicolegal Death Investigators
- Coroners
- Medical Examiners
- All levels of health care professionals
- Law Enforcement Personnel
- Forensic Technicians
- Forensic Nurses
- Investigators
- Detectives
- Prospectors
- Emergency Medical Personnel
- Organ, Tissue and Eye Donation Professionals

Curriculum

- Overview of Medicolegal Systems
- Ethics
- Cause and Manner of Death
- Death Scene Investigation Protocols
- Identification Processes
- Next of Kin Notification
- Decomposition and Postmortem Artifacts
- Sharp Force Injuries
- Gunshot Wounds
- Blunt Force Trauma
- Drowning & Fire Deaths
- Investigating Autoerotic Deaths
- Child Death Investigations
- Report Writing
- Developing Policies & Procedures
- Resource Management
- Budget Management
- Media Relations
- Mass Fatality Preparedness

This course is considered a full formal session of the IAC&ME Annual Training Symposium. Those who register for this course will be invited to the opening ceremony and all social events. Please review the IAC&ME website for agendas and more information. www.theiacme.com

FORENSIC ANTHROPOLOGY AND ODONTOLOGY: FILLING THE KNOWLEDGE GAP WORKSHOP

Presented by the IAC&ME and Forensic Odontology for Human Rights and hosted by The Clark County Office of the Coroner/Medical Examiner (CCOCME)

Friday and Saturday July 26 – 27, 2019 8:00 am – 5:00 pm	CERP Credits Available from the University of Nevada, Las Vegas School of Dental Medicine Processing Fee \$40.00	Before May 1 \$200.00 Day One \$350.00 Full Two Days After May 1 \$300.00 Day One \$450.00 Full Two Days
---	--	--

Course Description

New for 2019, the Forensic Anthropology and Odontology: Filling the Knowledge Gap Workshop will be a thorough didactic review and hands-on workshop covering the key areas of these topics.

The didactic portion of the course will include topics such as the biological profile construction from skeletal remains, and dental age estimation in sub-adult and adult individuals. It will also include the evaluation and coding of critical dental features utilized by WinID, UDIM, NamUs and INTERPOL's Plass DVI software. The course will also highlight some of the fundamental differences between Disaster Victim Identification (DVI) and daily morgue operation.

The extensive hands-on sessions will cover the processing of forensic anthropology methods on human remains, computer-assisted dental identification and dental age estimation. The course will also discuss the process for becoming a Diplomate in the American Board of Forensic Odontology (D-ABFO). Finally, it will include a Q and A session where participants are welcome to bring their cases to present them in an open discussion among all speakers and participants.

Hands On Workshop

The hands-on workshop of the anthropological section will utilize skeletal remains to implement laboratory methods to estimate sex, ancestry, age, stature. It will also cover the recognition and analysis of pathological conditions as well as taphonomy.

The hands-on forensic odontology workshop will include the processing of remain as well as multiple computer workstations to familiarize the attendees with the software and websites utilized in the United State for the coding and identifying of individuals by dental means.

Who Should Attend

- Anthropologists
- Dentists
- Dental Hygienists
- Other Dental Professionals
- Forensic Pathologists
- Medicolegal Death Investigators
- Attorneys
- Other Forensic Professionals

Curriculum Objectives

The Attendees of the course will:

- Understand the role that forensic anthropology and odontology plays in medicolegal investigations of death.
- Understand the forensic anthropology and odontology methods used for the identification process.
- Understand the role that forensic odontology plays in mass fatality victim identifications.
- Understand the forensic odontology methods for dental-age estimation.
- Understand the process to become a Diplomate of the American Board of Forensic Odontology (D-ABFO).
- Use hands-on workshops with teaching specimens and computer software to demonstrate the concepts learned in the lectures.

The FORENSIC ANTHROPOLOGY AND ODONTOLOGY: FILLING THE KNOWLEDGE GAP WORKSHOP is being given jointly with the University of Nevada, Las Vegas School of Dental Medicine which is accredited by CERP to provide continuing dental education for dentists, hygienists, and RDA.

If you wish to receive CERP credit there is a \$40 processing fee per student. CE credit of (8) hours will be awarded for each day of attendance and will be payable on site by check or cash.

ODONT/ANTHRO AGENDA

FRIDAY, JULY 26

Construction of the biological profile of unidentified remains.

8:00am - 10:00am Theoretical concepts of forensic anthropology: Sex, age, ancestry and stature estimation. Pathology and trauma analysis.

10:00am - 10:15am Break

10:15am - 12:30pm Hands-on session: sex, age and ancestry estimation on skeletal remains.

12:30pm - 1:30pm Lunch

Dental Identification of unidentified remains using WinID, UDIM, Plass Data and NamUs.

1:30pm - 3:15pm Theoretical concepts in dental identification and the use of dental identification software.
